

Enduring Partnerships Driven by Safety and Service Excellence

## OPEN SPACE SERVICES

Urban Maintenance Systems is one of Australia's leading specialist providers of open space services.

We can package the management and maintenance of all open space assets into well structured term based contracts. Through this process, UMS has the ability to reduce your ongoing maintenance costs while improving the overall quality, functionality and amenity of your open space areas.

Our Services include:

- Parks & gardens maintenance
- Mowing services
- Parks infrastructure management
- Specialist turf & horticulture management
  - Weed & insect pest management
  - Irrigation installation & management
  - Arboriculture management
  - Landscape design & construction service
  - Remnant bushland management
  - Sport & recreation assets

Our dedicated staff are supported by specialised systems and equipment that ensure safe, customer focused service outcomes.
